2018 – 19 School Year

Dear Parents,

St. Justin Martyr Parish is committed to the support of families seeking Catholic education and to the support of the Catholic schools providing the opportunity for Catholic education. We will financially support active parish families in two ways, by paying the parish subsidy for the school and by offering needs-based tuition grants to help families afford Catholic education. You do not need to leave SJM Parish to attend a Catholic school.

An active SJM Parish family qualifies for parish-paid school subsidy by:

- praying at Mass with the parish on Saturday or Sunday and Holy Days of Obligation;
- participating in the ministries, programs and volunteer activities of the parish;
- making regular weekly or monthly financial offerings to SJM;
- being registered as parish members.

If a family is not currently fulfilling these responsibilities, they need to start doing so now. Failure to meet these responsibilities will result in the revoking of all financial assistance from SJM Parish.

To qualify for SJM Parish tuition grants for 2018-19 school year, an active parish family must:

- be current with all school tuition and fees for the 2017-18 year;
- meet the needs requirement established by the Smart Aid analysis and available parish funds.
- send a completed **Smart Aid** form through your school for the opportunity for Parish and Diocesan grants;

The school will send the **Smart Aid** report to St. Justin.

We understand that some of our school families are also members of St. Paul Croatian Parish. We appreciate your efforts to financially support both parishes and to be active to some degree in both parishes.

When you have made your decision about the 2018-19, please fill out the accompanying **Enrollment Form (front and back)** and return it to the SJM Parish office by Sunday April 23. This will help us plan for the future.

If you have questions or concerns, please contact me at the parish office, 440-946-1177, or frkevin@stjustin.net.

Sincerely yours,

Rev Kevin M Liebhardt
